

RECRUITMENT RULES OF THE OHIO STATE UNIVERSITY COLLEGE PANHELLENIC ASSOCIATION

I. Statement of Positive Panhellenic Contact and Promotion of the Sorority Experience

We, the Panhellenic Association, will actively promote the overall sorority experience to potential new members, at all times, year-round, through personal and informative Panhellenic-spirited contact. We will do this through all forms of communication.

Positive Panhellenic contact and promotion of the sorority experience does not mean creating an unfair advantage for a particular chapter. It does mean being friendly and responding to questions potential new members might ask of Panhellenic members. It does mean promoting sorority membership in general, not a particular organization. It also means current and alumnae members do not have to hide their sorority affiliation or be forced to delete social media accounts, cover up their association or be penalized for talking about their association.

II. Strict Silence

Strict silence will begin on January 21, 2024 at noon and will last until bid distribution on January 22, 2024. No sorority member, including alumnae and new members, may communicate with potential new members during this period. It is the only period when positive Panhellenic contact is restricted. Strict silence is defined as oral, nonverbal, written, printed, text message and electronic communication or communicating through a third party about the recruitment process.

III. Statement of Adherence to NPC Unanimous Agreements and Policies Regarding Recruitment

All National Panhellenic Conference (NPC) member organizations represented at The Ohio State University adhere to NPC Unanimous Agreements and policies. All organizations will follow these valued and non-negotiable policies during the recruitment process.

IV. Statement of Values-Based Recruitment

All NPC member organizations represented at The Ohio State University will engage in the following practices that align with the Values-Based Recruitment policy during membership recruitment:

- Focus on conversations between chapter members and potential new members about organizational values and member organizations.
- Establish guidelines for membership recruitment budgets and set a cap on membership recruitment expenses, including the value of all donated goods and services.
- Keep decorations to a minimum and confined to the interior space used for recruitment rounds.
- Eliminate the required purchasing of recruitment event attire for chapter members.
- Eliminate gifts, favors, letters, and notes for potential new members.
- Eliminate all forms of bid promising, oral or written, to join a certain sorority before bids are distributed by Panhellenic.
- Eliminate extraneous and costly performances. This includes, but is not limited to, recruitment skits and door stacks.

V. Statement of Membership Recruitment Acceptance Binding Agreement (MRABA)

The Panhellenic Association will uphold and use the Membership Recruitment Acceptance Binding Agreement (MRABA) for each potential new member interested in joining a sorority, whether during primary recruitment or continuous open bidding. We agree to all policies and steps pertaining to the MRABA.

VI. Statement of Automatic Reset of Total

Total is the allowable chapter size as determined by the Panhellenic and includes both new members and initiated members. A Panhellenic should evaluate total every term. In the academic term that primary recruitment is held, total will be automatically adjusted no later than 72 hours following bid distribution.

The Panhellenic Association follows a deferred recruitment model, in which total will be automatically adjusted within one week (no more than 7 days) from the start of the first term of the academic year. Members declared inactive by their nationals shall not be counted on membership selection quotas and shall not participate in membership recruitment.

Total will be automatically adjusted using average or median chapter size (whichever is larger).

VII. Recruitment Finances

The fee to register for Primary Recruitment is \$57. The fee will cover logistics for recruitment as broken down in the table below.
